

DR B R AMBEDKAR NATIONAL INSTITUTE OF TECHNOLOGY

JALANDHAR – 144011, PUNJAB, INDIA

7th International Conference

on

Production & Industrial Engineering (CPIE – 2023)

Conference Theme: Manufacturing & Operations for Sustainable Environment

10-12 March 2023

Venue : NIT Jalandhar (India)

Conference will be held in Hybrid Mode (Both Offline as well as Online)

Select Peer-reviewed Conference Papers will be published in Scopus Indexed Elsevier Publication Journal "*Materials Today - Proceedings*".

Organized by

Department of Industrial and Production Engineering

Dr B R Ambedkar National Institute of Technology Jalandhar – 144011, Punjab, India

ABOUT CONFERENCE

The first CPIE was organised in the year 2007, where around 200 delegates from national & international organizations participated. Second CPIE was organised in 2010 where 250 delegates from 14 different countries across the Globe participated, third CPIE saw the number of delegates increase to 300 while fourth CPIE had 300 plus participants. Fifth CPIE was organized in Bangkok. Sixth CPIE was organized in the year 2019 at NIT Jalandhar had around 300 participants. CPIE has become a well-recognized conference and has emerged as a distinguished platform for fruitful interaction amongst the delegates from academia, industry and research organizations. At CPIE 2023, again we are expecting a large number of national & international delegates.

PAPER SUBMISSION

The paper should be prepared on A4 sheet with 1" margin on all sides. The paper should include authors name, affiliations and mailing address. For more details about submission click at our website: www.cpie.co.in

CONFERENCE TRACKS

- Additive manufacturing
- Agile Manufacturing
- Casting and Forming
- Human factor Engineering
- Industrial Automation, CAD/CAM and Robotics
- Joining Processes (Welding)
- Logistics and Supply Chain Management
- Machining
- Materials and Processing
- Micro/ Nano /Non-Conventional Machining
- Modeling and Simulation
- Stochastic Modelling
- Non-Conventional Energy
- Operations Management
- Product Design and Development
- Reliability and Maintenance Engineering
- Machine Learning
- Sustainability in Manufacturing
- Surface Engineering and Coatings
- Technology Management
- Environment Management
- Vibrations and Acoustics (Condition Monitoring)
- Computers in Industry
- Mechatronics
- Design for Manufacturing and Assembly
- TQM and Six Sigma
- Theory of Constraints
- Waste Management
- Productivity Enhancement
- Materials Management
- Facilities Design
- Optimization Algorithms
- Business Analytics Other Allied Topics

SPECIAL JOURNAL ISSUES / BOOKS

Select Peer-reviewed Conference Papers will be published in Scopus Indexed Elsevier Publication Journal "*Materials Today - Proceedings*".

Special issues comprising of the selected papers from earlier CPIE's have been published in following Journals and Books

- *International Journal of Machining and Machinability of Materials*, 2012 Vol. 12 No. 1/2
- *Journal of Manufacturing Technology Management*, 2012, Vol. 23, Issue 7
- *Journal of Manufacturing Technology and Management* 2015 Vol. 25 No. 1/2/3
- *Int. J. Additive and Subtractive Materials Manufacturing*, 2017, Vol. 1, Nos. 3/4
- *Journal of Manufacturing Technology and Management* 2019 Volume 30 Issue 6
- Book titled "Operations Management and System Engineering" published by Springer
- Book titled "Manufacturing Engineering Present and Future Perspective" published by Springer

IMPORTANT DATES FOR REGISTRATION

Paper Submission Deadline	:	10th February, 2023
Acceptance Notification Deadline	:	15th February, 2023
Submission of Camera Ready Papers	:	20th February, 2023
Registration Deadline	:	20th February, 2023

ABOUT DR B R AMBEDKAR NATIONAL INSTITUTE OF TECHNOLOGY, JALANDHAR

Dr B R Ambedkar National Institute of Technology was established in the year 1987 as Regional Engineering College and was given the status of National Institute of Technology (Centrally Funded Technical Institute) by the Government of India on October 17, 2002 under the aegis of Ministry of Human Resource Development, New Delhi. The Institute has been declared as "Institute of National Importance" under the act of Parliament- 2007.

ABOUT THE DEPARTMENT

Department of Industrial and Production Engineering, at Dr B R Ambedkar National Institute of Technology Jalandhar has emerged as center of excellence with an objective of enabling engineers to improve efficiency and effectiveness of both manufacturing and service sector Industries. A strong emphasis is laid on designing of such systems of Man-Machine symbiosis, which facilitate optimum utilization of scarce resources. The Alumni of the Department are occupying eminent positions in industries, research and academic institutions in India and abroad.
